File No. 1804/36

Std. Sectt. Slip 24-B

Statement showing the full details of justification for the continuance of the temporary Establishment sanctioned for the Divisional Office, Bijapur, in the Southern Circle, as required by Government Circular Memorandum (P.W.D.) No.P.190, dated the 7th January 1947.

Srl. No.	Designation and number of posts.	Sanctioned pay scales.	No. and date of the latest Government orders sanctioning the posts.	Full justification for the continuacne of the post and the periods for which it is required.
1	2	3	4	5
1	Fourteenth clerk for the Divisional Office, Bijapur.	25-5/2-65	Government letter (P.W.D.) No.1804/ 36-E(II), dated the 20th December 1945.	The work of clearing arrears of Land Acquisition cases could not be attended by the clerk on account of intervening scarcity works After the closure of scarcity works, the effect there of is that the land acquisition work in general has been increased considerably due to the starting of Village Water Supply Schemes correspondence, Lift Irrigation Schemes, and Scarcity road works. Hence the clerk could not be exclusively be entrusted with clearing of arrears work. This accumulated work cannot be cleared off unless the post of clerk is continued further for about a year. In this connection it is, however, pointed out that the Bijapur District is often affected by scarcity or famine and as such Government may kindly be moved to convert the post of the temporary clerk into a permanent one.

No.G-43./1

Public Works Department,
Belgaum, 22nd January 1947.

Forwarded with compliments (in duplicate), to the Secretary to Government, Public Works Department, Bombay, with reference to Government letter No.1804/36-E(II),dated 20th December 1945.

2. The post of Temporary clerk will be continued beyond 28th February 1947 unless Government orders to the contrary are received.

Sd/- E.P. Little,
Superintending Engineer, S.C.

SBK.

Reference Government Memorandum No.1804/36-E, dated the 6th April 1940.

2. The sanction accorded to the continuance of the Bijapur Division for a further period of three years from the 1st March 1940 expires on the 28th February 1943, on which date the Division will complete a period of five years and one month of its existence.

3. In this Division, many major and minor original works under several Heads such as '50-Civil Works - Provincial, Ordinary and Road Development Accounts, 18-A-Irrigation Civil, 39-Public Health etc' costing more than Rs. 17 lacs as shown in the enclosed statement No.1, are at present in progress.

4. A statement (No.II) showing the works contemplated to be undertaken in future, is also enclosed.

5. From the details of works given in these two statements, it will be seen that the works in progress and those contemplated to be undertaken are of a varied nature and demand the full and entire attention of an Executive Engineer

6. The Bijapur District is notorious for scanty rainfall and a large number of works which involve survey and preparation of plans and estimates have to be kept ready at all times to start relief works at short notice.

7. As a result of failure of rains during the last year's Rabi season, scarcity was declared in some Talukas and two scarcity centres are now working on the Bijapur Sindgi Road. Some more are likely to be opened if the Rabi rains fail this season.

8. (a)It is very probable that in the near future the construction of a bridge over the Bhima river will have to be undertaken. This work will be of some magnitude and will have to be under the control of the Bijapur Division.

(b)Moreover, many works will, in due course, be required to be undertaken to provide against post-war slump which matter is at present under the consideration of Government.

9. It is not possible to distribute the works of the Bijapur Division amongst the Belgaum and Dharwar Divisions

which are already heavy and the Executive Engineers will not be in a position to manage their respective Divisions with any degree of efficiency if the Bijapur Division is abolished and amalgamated with their charges. Almost all the reasons put forth in this office letters Nos.G-108, dated the 22nd September 1937, 13th September 1938, and 14th September 1939 for the reopening and the continuahce of the Bijapur Division as a separate charge still hold good.

10. I would, therefore, request that Government may, in your concurrence, be moved to sanction the continuance of the Bijapur Division as a permanent executive charge, as continuing on a temporary basis with renewal of sanction at short intervals does not appear to be a satisfactory arrangement, since in my opinion the necessity for the continuance of the Bijapur P.W.D. Division cannot be questioned.

No.P.W.D.-344

Office of the Commissioner S.D.

Belgaum, 29th October 1942.

Submitted.

2. For the reasons stated by the Superintending Engineer in paras 5 to 9 of his letter, the Commissioner recommends that the Bijapur Division should be continued as a permanent executive charge.

Commissioner S. D.

Public Works Department.

E.B.

Submitted with reference to para.2 of G.M No.1804/36-E, dated the 6-4-40 and the notes underlying it.

2. Sanction to the continuance of the Bijapur Dn. expires on the 28-2-43. In the circumstances explained, the S.E., S.C. recommends that the Bijapur Dn. may be continued as a pt. executive charge. For the reasons given in paras. 5 to 9 of the letter of the S.E., S.C., the Commr., S.D. supports the S.E's proposal.

3. The Bijapur Dn. was first opened on the 1-2-38. Before the Dn. was reopened all possible alternatives to its re-opening were considered and found not suitable. In 1939, the S.E., S.C. had recommended that the Bijapur Dn. might be continued for a period of 5 years with effect from the 1-3-39. While forwarding the S.E's proposal the Commr., S.D. stated that the frequent occurrence or fear of occurrence of scarcity or famine, the volume of work even in ordinary times, and the difficulty of initiating or supervising the same from Belgaum were some of the considerations which would justify in his opinion the pt. revival of the Bijapur Dn. This Deptt. had accordingly recommended that the Dn. might be revived permanently but the F.D. suggested that it might be continued for 3 years and the orders were issued accordingly - vide G.M.No.1804/36-E, dated the 6-4-40. It is accordingly for orders whether as now recommended by the S.E., S.C. and the Commr., S.D., the Bijapur Dn. may be sanctioned as a pt. executive charge with effect from the 1-3-43 in consultation with the F.D. and the P.& S. If this is done, the cadre of the B.S.L. Class I will be increased from 35 to 36, as shown below:-

The cadre now sanctioned.	The revised cadre.
1 C.E.	1 C.E.
4 S.Es.	4 S.Es.
21 Ex.Engrs. (including one extra departmental post)	22 Ex.Engrs. (including one extra departmental post).
9 Asstt.Engrs.	9 Asstt.Engrs.
35	36

4. Provision for the continuance of the tempy. posts sanctioned for the Bijapur Dn. has already been made in the ensuing year's budget. The conversion of the Bijapur Dn. into a pt. charge may only be treated as a new item. The necy. new ite statement will be prepared on receipt

of

*A/p 113

Please see Mr.Iengar's note dated 10-1-38 on p.113 of P.W.D. file 1804/36. It will be seen that in 1938, when the Bijapur Divn. was reopened Govt. had come to the conclusion that there was no case for permanently reopening it. It is therefore now for Govt. to decide whether circumstances have so changed as to necessitate a reversal of that decision in the light of the experience gained during the five years during which the Bijapur Divn. has been in existence on a tempy. basis. The statement at pp.125-129 ante and the letter at p.131 ante do not appear to establish a permanent necessity for the Divn. It therefore seems desirable to watch the progress of works for a few years more. If this view is approved F.D. may suggest that the Divn. may be continued for a further period of 3 years on temporary basis.

For orders.

GH
10.11.42
FST.
10/11

The division has been existence for the last 5 years. For a large part of that period and over a considerable area of the Div. scarcity conditions have existed. The works undertaken have been on the increase. It will be seen from the statements appended to the S.E.'s letter that there is enough work to occupy the full attention of an Executive Engineer for many years. The local officers and the P.W.D. have all along recommended that the division should

to work permanent. Considering also the fact that the work of the X.E.N. Dharwar particularly has increased owing to V.W.S. schemes etc I doubt if that Div. will be able to run a boob a Byapur Sub.Div. in the near future. I think we should agree to run the division permanent

11/11.

Please see new item No 74 at p. 216 of Blue Book for 40-41. The continuance of the Division was specifically for 3 years from 1940. It was stated therein that the posts will be reviewed at the end of 3 years thereafter.

In the circumstances a new item will now be necessary again, especially as the proposal is to make the Division permanent.

P. W. D.

The F.D. & the P.& S.D. have agreed to admit the conversion of the Bijapur Dn. into a permanent Divnl. charge as a new item for the year 1943-44. The necy. new item statement is put up for approval.

2. Provision for estabt. required for the continuance of the Bijapur Dn. during the year 1943-44 as a tempy. measure has already been made in Part II-A estimates for the ensuing year. It will be transferred to Part I-B after the item is finally approved. The recurrent and non-recurrent cost during the year 1943-44 for this item is therefore nil. The ultimate annual recurrent cost is worked out on the basis of average cost of the addnl. posts sanctioned for the Dn. and to it the necy. addns. for t.a. and contingencies have been made. In the case of a tracer's post in the N.C. and as also in the P.W.D. Sectt. a scale of Rs.25-2-55-3-70 has been adopted. A similar scale is also proposed for the tracer in the Bijapur Dn.

The scale adopted for a Daftary's post is Rs.25-1/2-35. The same is proposed for the Divnl.Office, Bijapur.

3. The item, after approval, will be forwarded to the F.D. along with other new items which are at present under consideration in that Deptt.

ITEM Continuance of the Bijapur Division on a permanent basis.

Recurrent ..	..	Rs Nil	Non-recurrent ..	Rs Nil
Total ..		"	Ultimate annual recurrent ..	28,200

Remarks.- In view of the severe scarcity conditions in the Bijapur District and the minor irrigation schemes undertaken there Government after careful scrutiny sanctioned the reopening of the Bijapur Division on a temporary basis for one year with effect from the 1st February 1938. The item was brought to the notice of the Legislative Assembly by means of a supplementary demand -- vide demand No.16 (8) in the year 1937-38. For the same reasons the continuance of the Bijapur Division has been sanctioned with the approval of the Legislative Assembly up to the 29th February 1940 --vide No.94 in statement E of new items of expenditure in the Budget Memorandum for the year 1939-40. The Division was further continued on a temporary basis for a period of 3 years ending the 28th February 1943.-- vide Item No.74 in statement E of New items of expenditure in the Budget Memo. for the year 1940-41.

In the Bijapur Division a number of major original works are in progress. These works comprise modernisation of roads, improvements to road surfaces, constructing roads, causeways, cross drainage works thereon, bandharas, irrigation tanks, etc. The cost of such works at present in progress in the Division is Rs.17 lakhs and those contemplated to be undertaken in the near future is Rs.38 lakhs. In addition to the above there are 21 feeder roads costing about Rs.15 lakhs and 3 water supply tanks estimated to cost Rs.36,000 which are included in the combined famine and scarcity programme for 1942 & surveys of which are to be started as soon as possible.

Considering the fact that the fear of scarcity is seldom entirely absent in the Bijapur area where the dividing line between comparative plenty and dire starvation is extremely fine, a large number of works, which involve survey and the

preparation

804/36

preparation of plans and estimates have of necessity to be kept in readiness to meet the situation. All this work demands the full and entire attention of an Executive Engineer.

It is ~~not~~ possible to distribute the works of the Division ~~amongst~~ between the Belgaum and Dharwar Divisions which are already heavy charges.

After careful consideration of all factors and from personal experience the S.E.,S.C., considers that it is necy. to convert the Bijapur Division into a permanent charge. The Commissioner, S.D., is also convinced that a separate Division for the Bijapur Dist. is quite necy. and has recommended its continuance on a permanent basis. Government agrees with the above recommendation. It is,therefore, proposed to convert the Bijapur Division into a permanent Divisional charge.

The cost for the continuance of the temporary estabt. required for the Bijapur Division during the year 1943-44 is ~~already~~ included in the Budget of that year. The establishment entertained for the Division is the same as in the current year.

Resolution No.1804/36.
Bombay Castle, 1st May 1943.

Government Memorandum No.2855/36-E, dated the 30th May 1942, as under:-

"With reference to his letter No.G.II B.S.E./3826, dated the 11th March 1942, the Accountant General, Bombay, is informed, with compliments, that the cadre of the Bombay Service of Engineers, Class I, was fixed at 36 - vide paragraph 4 of Government Resolution No.7708/27, dated the 22nd March 1937. One Divisional charge in the Deccan Irrigation Circle was abolished with effect from the 1st December 1938 with the approval of the Secretary of State by amalgamating the marginally* noted three Divisions into two Divisions viz the Poona Irrigation and Research Division and the Nira Canals Division - vide Government Memorandum No.1731/36-E, dated the 26th October 1938. Owing to the reduction of one Divisional charge, the cadre strength of the Bombay Service of Engineers, Class I is 35 and not 36.

* (a) The Poona Irrigation Division.
(b) The Nira Right Bank Canal Division.
(c) The Irrigation Research Division.

"2. On the 1st January 1942 there were 26 officers of the Indian Service of Engineers (excluding Col.D.S.Johnston who is supernumerary to the establishment of the Indian Service of Engineers) and 9 Assistant Engineers (I). Out of the 9 Assistant

Assistant Engineers (I), three are officiating Assistant Engineers (I)."

RESOLUTION:- The conversion of the temporary Bijapur Division into a permanent Divisional charge has been sanctioned with effect from the 1st March 1943 in Government Notification No.1804/36, dated the 5th April 1943. Government is accordingly pleased to increase the sanctioned cadre strength of the Bombay Service of Engineers Class I from 35 to 36 with effect from the 1st March 1943 as shown below:-

	Number of posts.	
Chief Engineer.	1	
Superintending Engineers.	4	
Executive Engineers.	22	(i.e.19 permanent Divisional charges plus 2 posts of Deputy Secretaries and 1 post for extra departmental service).
Assistant Engineers.	9

No.G-55.- - . Public Works Department,
Belgaum, 22nd July 1943.

Subject:- Conversion of Bijapur Division into a permanent charge:
Establishment in connection with the -.

Reference: Para 4 of Government letter no.1804/36-E, dated the 5th April 1943.

2. Proposals in connection with the temporary establishment to be made permanent from the 1st March 1943 together with ~~the full~~ details of the establishment sanctioned since the reopening of the Bijapur Division from the 1st February 1936 have been shown in the subjoined statement.

Particulars	As sanctioned			As now proposed			Remarks.
	Permanent	Temporary	Total	Permanent	Temporary	Total	
1	2	3	4	5	6	7	8
Accountant	-	1	1	1	-	1	A:-One transferred from Bel. Div. and one from Kharwar Div.
Head-clerk	-	1	1	1	-	1	
Senior Accounts clerk.	-	1	1	1	-	1	
Clerks (R.70-5-95)	2 A	1 B	3	3	-	3	
Clerks (R.25-5/2-85)	2 A	~~3~~ 4 B	~~5~~ 6	5	2	7	B:-Newly appointed.
Storekeepers (R.40-4-80)	-	1	1	1	-	1	
Draftsman (90-5/2-140)	-	1	1	1	-	1	
Assistant Draftsman (50-5/2-90)	-	1	1	1	-	1	
Tracer (25-2-55-3-70)	-	1	1	-	2	2	
Computor (25-5/2-50 E.B. 5/2-65)	-	-	-	-	1	1	
Daftary 961	-	1	1	-	1	1	
ail on a	-	1	1	1	-	1	
...ntly pay of ...17/-	-	4	4	4	-	4	
...rs -do- ...14/-	-	2	2	2	-	2	
...ndar -do- ...15/-							

The posts shown in Col.4 were sanctioned in Government ... Nos.1804/36-E, dated the 3rd February 1938 & 26th May 1938.

3. The proposals now made in column 7 involve the following additional establishment over that sanctioned at present as shown in column 4.

(a) Two clerks (temporary) in the grade of R. 25-5/2-65

(b) One Tracer (temporary) in the grade of R.25-2-55-3-70

(c) One Computor (temporary) in the grade of R. 25-5/2-50 E.S.-5/2-65)

A

4. It will be seen from the above that the clerical strength as now proposed for the permanent Bijapur Divisional office consists of 12 clerks (10 permanent and 2 temporary) as compared with the existing cadre of 10 clerks (4 permanent and 6 temporary) and it has been based on the cadre of the clerical establishment at present existing in each of the other four Divisions in this Circle.

5. A statement showing the sanctioned cadre for permanent clerks etc., for the Southern Circle and the proposed cadre, in the event of the proposals made above are approved by Government, is enclosed.

6. The establishment proposed in column 7 of the above subjoined statement is considered essential having regard to the peculiar famine and scarcity conditions obtaining in the Bijapur District at comparatively frequent intervals.

7. It is, therefore, requested that Government may, in your concurrence, kindly be moved to accord sanction to the above proposals.

D D Freeman

PUBLIC WORKS DEPARTMENT
File No 1804/36
24. JUL. 1943
Ser 19129

(E.B.)

p.149 ← p.149 ←

The Bijapur Dn.has been converted int a pt.Dnl.charge with effect from the 1-3-1943, vide G.N.No.1804/36,dated the 5-4-4 In G.L.No.1804/36-E,dated the 5-4-43, the S.E.,S.C. was requested to submit proposa in con.with the tempy estabt.to be brought on pt.estabt.in consequence of the above orders. The S.E's recommendation will be found at pp.157-160 ante.

Put up below pp.253-254 ←

2. Pl.see remarks made in item No.110 of the Budget Memo.for the year 1943-44. The cost in respect of the following posts was included in the recurring cost shown in the item.

Designation.	Scale. Rs
1 Accountant.	100-10-270-30/5-300.
1 Head clerk.	115-5-160.
1 Snr.Acctts.Clerk.	95-5-115
4 Clerks	
(1 Clerk.	70-5-95
(3 Clerks.	25-5/2-65
1 Draftsman.	90-5/2-140
1 Asstt.D'man.	50-5/2-90
1 Storekeeper.	40-4-80.
1 Tracer.	25-2-55-3-70
1 Daftary.	20
7 Inferior servants.	
(1 Naik.	17
(4 Peons.	14 (each).
(2 Chowkidars.	15 (each).

p.159 ←

They should be made perm NOW

8/24/1843

The S.E.,S.C.however recommends that the post of one tracer and one daftary may continue on tempy. estabt. It is for orders whether the S.E's recommendation may be accepted. It has since been decided that the posts of Daftary should be on fixed scale of pay viz Rs 20 p.m.

3. The S.E,recommends that the follow ing addnl.tempy.post may be created for the Bijapur Dnl.Office:-

	Scale Rs
Two clerks.	25-5/2-65
One Tracer.	25-2-55-3-70
One Computor.	25-5/2-50-E.B.-5/2-65.

p.160 (para 6)

It is explained that the above estabt is considered essential having regard to the peculiar famine and scarcity conditio obtaining in Bijapur Dist., at comparatively frequent intervals. It is feared that a genl.statement as above will not convince Govt. for creating addnl.posts required by the S.E. The S.E.may therefore be requested to furnish detailed information separately,and include it in th new items for the year 1944-45. In the mea time the three items may be omitted.

I agree 8/24/8

4. The question of converting certain tempy.and work-charged posts into pt. posts is under separate consideration. Orders that will be issued on this question will materially affect cadre strengt in various subordinates grades. No action need

804/36

need accordingly be taken with ref.to para.5 of the S.E's letter. — p. 160 I agree 8/24/8

5. The question of allowing tempy. service to count towards pension in the case of persons who will be appointed against the tempy.posts to be made pt. does not arise at this stage. } I agree 8/24/8

If the present incumbents of the posts to be made permanent are appointed against these posts their past tempy. service will automatically count towards pension under B.C.S.R.240(1). In the case of other men the question will be considered at the time of their retirement.

6. These papers may be refd.u.o.to the A.G.(with particular reference to the scale for Dnl.Acctts.) and the F.D.for favour of remarks.

ACCOUNTANT GENERAL'S OFFICE
1 SEP. 1943
BOMBAY

U/o to the A.G. Bhag. & the F.D.
28th Aug 1943.

Accountant General's office, Bombay

Passed on with compliments to the Finance Deptt.
2. As the Bijapur Division was re-opened from 1-2-38 the post of Divisional Accountant for that division may be sanctioned in the revised scale of pay for Divisional Accountants viz. 60-6-200 -25/5 -225. The incumbent of the post will, however, be entitled to draw pay in the old scale of Rs.100-10-270-30/5 -300 if he is an old entrant, or he will draw pay in the revised scale of pay if he is a new entrant.

Finance Department-B.Br

* p. 253 of Budget Memo. for 1943-44

Please see the new item statement No.110 regarding the continuance of the Bijapur Division on a permanent basis. The Division has been made permanent since the current year and the S.E., S.C. has now proposed what temporary staff should be made permanent. It will be seen from the statement in para/. 2 and 3 of the S.E's letter that, in addition to the existing staff of the Division he proposes to create 4 additional posts - two clerks, one tracer and one computer - on a temporary basis. The P.W.D. has however proposed to omit this for the reasons mentioned in its note and this Deptt. may agree.

2. Apart from this, the number of posts proposed to be made permanent is not more than those existing on the temporary basis. No remarks are therefore necessary so far as this Deptt. is concerned.

4. One clerk)
One computor) for the office of the Ex. Engr.
One tracer.)

Bijapur Dn. Along with the question of converting the tempy.posts in the Bijapur Dn. into pt. posts, the S.E.,S.C. had proposed,in file No.1804/36 that the existing estabt. in the office of the Ex. Engr.,Bijapur Dn. may be increased by 3 posts as shown above. The increase is recommended having regard to the peculiar famine and scarcity conditions obtaining in the Bijapur Dist. at comparatively frequent intervals. The sanctioned clerical strength for the office of the Ex.Engr.,Bijapur Dn. is eleven (excluding the Accountant). At present there is neither a post of tracer nor of a computor for the Dnl. Office Bijapur. p-159

Orders are requested whether the items may be admitted as new item for the year 1944-45.

Link so.

LETTER.

From

L. E. Greening, Esquire, I.S.E.,
Superintending Engineer, S.C.

To,

The Secretary to Government,
Public Works Department,
BOMBAY.

No.G-55.

Public Works Department,
Belgaum, 31st December 1943.

Subject:-Conversion of Bijapur Division into a permanent charge.

Reference: Government Letter No.1804/36-E, dated the 8th December 1943. p 171

2. The clerical strength of the Divisional office, Bijapur, including the Head clerk and a Senior Accounts clerk, but excluding the temporary posts created in connection with the recent famine is 11, vide this office endorsement No.G-19, dated the 4th February 1939.

3. The Executive Engineer had, in his letter No.G-19, dated the 24th January 1939, already established the necessity for one more clerk to bring the total strength to 12 which are essentially necessary, but the proposal was negatived in G.M.No.P.190/33/-3366-E, dated the 18th February 1939.

4. In view of the fact that Bijapur District is notorious for famine or scarcity conditions occurring at frequent intervals a large number of works involving survey and preparation of plans an estimates are required to be kept ready to meet any emergency as has been the case now, vide this office No.BJ-22, dated the 19th November 1943. While submitting proposals in connection with the temporary establishment for the Divisional office, Bijapur, to be made permanent, vide this office letter No.G-55, dated the 22nd July 1943, it was proposed to provide 12 clerks for that office, ten permanent and two temporary

5. As a result of Government orders referred to in para 1 above, the Divisional office, Bijapur, will have ten clerks against the present strength of eleven. It is, therefore, proposed to continue the services of the eleventh clerk on the temporary establishment pending final orders of Government in the matter.

6. As regards the twelfth clerk, the Executive Engineer has again represented and I agree with him that as a result of the work-charged establishment having been made permanent, vide G.R.No. 3486/36, dated the 19th November 1943, the preparation of salary bills, maintenance of the Service Books etc., in the Divisional office will also add to the increased volume of work there for which one additional temporary clerk will be necessary. In all provision for 12 clerks is considered necessary.

7. In the circumstances, it is requested that Government may, in your concurrence, be moved to sanction one clerk for the Divisional office, Bijapur, to be employed on the temporary

establishment

establishment exclusive of the one temporary clerk to be continued as proposed in para 5 above.

No.G-55/1

Public Works Department,
Belgaum, 9th February 1944.

Subject:-Conversion of Bijapur Division into a permanent charge.

The favour of receiving early sanction to the entertainment of the twelfth clerk in the Divisional office, Bijapur, as applied for in this office letter No.G-55, dated the 31st December 1943 is requested. The Executive Engineer, Bijapur Division, has again represented that the clerical work in his office is progressively increasing which it is not possible to cope with without the employment of the twelfth clerk.

L. E. Greening
9.2.44.

V.M.T.

Superintending Engineer, S.C.

E. B.

Submitted together with Srl. no. 220.

2. The S. E., S. C's letter No. G-55, dated 31.12.43 is self-explanatory. It is for consideration whether in the circumstances now explained by the S. E., a case has been made out for the continuance of the eleventh clerk, as also the appointment of a twelfth one. If so, sanction may be accorded to the continuance of the eleventh clerk and the apptt. both of an addl. one, both to be borne on the temp. estabt. upto 28.2.45, in the first instance, in the no. consultation with the F. D.

16/2/44 I think that the SE's case has been established.

In my view the points made

143

Letter No.G-43, dated the 6th December 1944, from the Executive Engineer, Bijapur Division, to the Superintending Engineer, Southern Circle, Belgaum.

****

Subject:-Additional clerk for the Divisional office, Bijapur.

"In addition to the normal land acquisition cases numbering about 50, there are about 150 land acquisition cases pertaining to the original works that were started to provide work for labour during the famine period. Most of the cases could not be attended to by the staff on account of the abnormal increase of work then existing. The clerk entrusted with the cases had his hands full with making preliminary arrangements for obtaining consent of the land owners for starting the scarcity and famine works, and in addition to other multifarious duties on account of increased Establishment for famine works etc.

2. Some of the current land acquisition cases also reveal that the notifications under Section 6 of the Land Acquisition Act were issued before the lands were jointly measured during the famine period and after joint measurements were taken, discrepancies of more than 5% were found out between the areas of lands notified under Section 6 and those actually required for works which have to be regularised by making fresh proposals for acquiring additional lands. Where the actual requirement is less than that notified under Section 6, correspondence over the withdrawal of the portions of lands is involved in many cases.

3. Lands required for starting the scarcity and famine works at a short notice were acquired in advance and due to the abandonment of certain works, the lands are required to be leased out to the previous occupants through the Revenue Department until they are actually needed for Scarcity and famine works agreeably to G.R., R.D.No.3690/39, dated 9th October 1940. This has yet to be done.

4. Cases regarding lands required for village water supply well works acquired by applying the urgency clause are now required to be renewed owing to discrepancies in areas of lands notified under Section 4 and Section 6, as the joint-measurements were taken in many cases after the lands were handed over by the Revenue Department.

5. Owing to the proposed changes in alignments of certain roads, some portions of lands already in possession of this Department are required to be relinquished to the Revenue Department and fresh proposals are to be submitted for additional lands.

6. On account of sudden increase in the number of famine labour in certain centres, the labourers quarried materials from private lands adjoining the lands acquired for scarcity or famine works and stacked them on the roadside. Some of the owners of these private lands have submitted applications demanding compensation for the materials quarried and damage done to their properties.

7. About 25 cases of land acquisition in connection with Village Water Supply Tank Works and irrigation works are required to be attended to immediately in addition to the cases noted above.

8. Most of the correspondence regarding land acquisition was kept in a very chaotic condition during the famine

period probably due to heavy office work. All such cases are being sorted out and renewed and completed in respect of all elements vide G.C.M.P.W.D. No.2068/38, dated 16th August 1944. Inspite of efforts it has not been possible to make appreciable headway in clearing the arrears. It is not possible for the existing staff to cope with all the above cases. It is, therefore, requested that an additional clerk preferably one who has experience in dealing with land acquisition cases may kindly be posted to this Division for about 6 months to start with.

9. It is feared that if the present staff in correspondence branch is not supplemented immediately by one additional clerk for correspondence work of land acquisition as mentioned above and one more 13th clerk proposed to be sanctioned for additional work of increased establishment etc., the work in the correspondence branch will accumulate, considerably. Government may, therefore, kindly be moved to accord their sanction to these two posts at a very early date, to give timely relief to the staff who is now being over worked.

10. A list showing the duties performed by each clerk in this office at present is attached for your perusal".

****

No.G-43.

Public Works Department,
C.V. Belgaum, 17th December 1944.

Copy forwarded, with compliments, to the Secretary to Government, Public Works Department, Bombay, with reference to the correspondence ending with G.L.No.1804/36-E dated the 29th April 1944 according to which there are at present 12 clerks in the Divisional office, Bijapur. One additional clerk sanctioned for that office along with other offices in G.L.No.6981/36.E(II), dated the 6th December 1944 is being appointed when the total clerical strength of that office will be 13.

2. In view of the circumstances now explained, Undersigned supports the Executive Engineer's demand for one more additional clerk to clear the outstanding arrears in respect of land acquisition cases. It is, therefore, requested that Government may be moved to sanction the post of one clerk in the grade of Rs. 25-5/2-65 on the Temporary Establishment for the period of one year.

17.12

Superintending Engineer, S.C.

V.M.T.

mt

PUBLIC WORKS DEPARTMENT
File No. 1804/36 EII
19. DEC. 1944

E. B. (II).

The Ex. Engr., Bijf. Dn., in his letter No. G. 43, dated 6-12-44, requests Govt. sanction for the creation of two posts of Temp. clerks for the reasons stated by him. In G. L. No. 6981/36-E(II), dated 6-12-44, one post of Temp. clerk in the grade of Rs. 25-5/2-65 has since been sanctioned upto 28-2-45 in the first instance for the Bijapur Dn. along with other Dns. to cope with the increase in work due to the conversion of work-charged and Temp. posts into Temp. or permanent posts. Hence, the question for consideration is the demand for only one post of an additional Temp. clerk in the grade of Rs. 25-5/2-65 for a period of one year to clear outstanding arrears of land acquisition cases.

⊗ Sub. B File No. 6981/36 p. 48

2. The Ex. Engr., Bijapur Dn., in the statement accompanying his letter, has shown the duties assigned to the clerks in his Dn. and expressed the opinion that it will be very difficult to dispose of the land acquisition cases, unless one post of Temp. clerk is sanctioned.

3. It is, therefore, for consideration whether one additional post of Temp.

— clerk —

1804/36/35011. 192

clerk in the grade of Rs. 25-5/2-65 may be sanctioned for the Bijapur Dn. for one year. If so, the papers will be refd. to the F.D. before issue of orders.

thro' A.B. (E).

3/1/45

3/1/45

3/1/45

Dy. Secy.

1. Yes -- one additional post of a clerk, the fourteenth, may be sanctioned. The grade may be Rs.25-5/2-65.

2. It is apparent that the Bijapur Divisional office is experiencing trouble in settling land acquisition cases resulting from the recent famine works. It is natural that this should be so because the famine was a severe one and involved the starting of numerous famine and scarcity works at short notice many of which must have necessitated the use of private land and in regard to which the normal land acquisition procedure could not be carried out properly in all its details.

3. The post may be temporary and up to 31st December 1945.

Orders issued after consultation with the Finance Dept.

ISSUED
On 26/1/45.

LETTER.

To

The Superintending Engineer,
Southern Circle,
Belgaum.

No.G-43. Public Works Department,
Bijapur, 2nd November 1945.

Subject:-Additional clerk for the
Divisional Office, Bijapur.

pp.193-94

Reference: Government letter(P.W.D.)No.1804/36-E(II) dated the 23rd January 1945 and S.E.S.C's endorsement No.G-43 dated the 8th February 1945.

2. Government had accorded sanction to the post of a fourteenth clerk for this office on account of outstanding arrears in respect of land acquisition cases upto 31st December 1945 i.e. for about a period of 11 months. On account of non-availability of a suitable candidate for the post the appointment to the post was actually made from 19-6-1945 vide this office No.G-43 dated the 19th June 1945. Thus it will be seen that about 5 months out of the sanctioned period of 11 months elapsed without a hand.

3. The necessity of an experienced clerk to deal with the old land acquisition cases was brought to your notice please vide this office Nos.G-43 dated the 13th February 1945 and 23rd May 1945 but as no suitable clerk was spared from other Divisions an outsider without any experience of office routine was appointed. In view of the above facts, the progress on the disposal of the outstanding cases has not been so appreciable.

4. On reviewing the present position, it is seen that about 100 pending cases are remaining to be disposed of finally in addition to the normal land acquisition cases numbering about 50 (including the fresh cases for which proposals are submitted). On account of taking over possession of lands under urgency clause during the famine period, several complications have been created. The position of the remaining about 100 land acquisition cases more or less - remains the same as reported in paras 2 to 8 of this office No.G-43 dated the 6th December 1944. There are about 50 miscellaneous cases yet to be brought to completion in connection with the above, such as payment of land compensation, encroachments, cultivation of lands etc.

5. The irrigation activities in this Division are also increasing day by day e.g. we have now Lift Irrigation Scheme and one more at Almati is being proposed. Due to this the current land acquisition work has also to be done by this additional clerk and hence - unless the present fourteenth clerk is continued for a year more, it is feared that the land acquisition work will accumulate. It is, therefore, requested that Government may kindly be moved to accord sanction to continue the temporary post from 1-1-1946 to 28-2-1947. In the meanwhile, I may kindly be allowed to continue the clerk in anticipation of sanction of Government. This has also reference to para 3 of your No.G-43 dated 16-6-1945.

Statement showing the full details of justification for the continuance of the temporary Establishment sanctioned for the Divisional Office, Bijapur, in the Southern Circle, as required by Government Circular Memorandum (P.W.D.) No.P.190, dated the 7th January 1947.

Srl. No.	Designation and number of posts.	Sanctioned pay scales.	No. and date of the latest Government orders sanctioning the posts.	Full justification for the continuacne of the post and the periods for which it is required.
1	2	3	4	5
1	Fourteenth clerk for the Divisional Office, Bijapur.	25-5/2-65	Government letter (P.W.D.) No.1804/ 36-E(II), dated the 20th December 1945.	The work of clearing arrears of Land Acquisition cases could not be attended by the clerk on account of intervening scarcity works. After the closure of scarcity works, the effect there of is that the land acquisition work in general has been increased considerably due to the starting of Village Water Supply Schemes correspondence, Lift Irrigation Schemes, and Scarcity road works. Hence the clerk could not be exclusively be entrusted with clearing of arrears work. This accumulated work cannot be cleared off unless the post of clerk is continued further for about a year. In this connection it is, however, pointed out that the Bijapur District is often affected by scarcity or famine and as such Government may kindly be moved to convert the post of the temporary clerk into a permanent one.

1804/36/4358.
P.W.D.

E.B.(II).

A 14th post of a clerk in the grade of Rs.25-5/2-65 was sanctioned in G.L.No.1804/36-E(II), dated the 23-1-1945 ~~on account of~~ for the disposal of outstanding arrears in respect of land acquisition cases in the Bijapur Dn. The post was continued from time to time upto 28-2-1947. The S.E., S.C. has fully explained the necessity of further continuing the post, as the arrears of land acquisition cases could not be attended to due to ~~other~~ scarcity works. The S.E., therefore, requests that the post may be continued for a period of one year from 28-2-1947. The S.E. also requests that the post may be converted into a permanent post. For this, he has not advanced sufficient reasons to justify the same. ~~In view of this, the S.E's. request, if appd., may not be accepted.~~

In the circumstances, the post may, if approved, be continued upto 29-2-1948. The draft letter put up may issue after u.o.r. to the F.D.

Statement showing the full details of justification for continuance of the Temporary Establishment sanctioned for the Divisional Office, Bijapur, in the Southern Circle as required by G.C.M., (P.W.D.) No.P-190, dated the 9th January 1947.

***

S.No.	Designation and Number of Posts.	Sanctioned payscale.	No. and date of the latest Government orders sanctioning the posts.	Full justification for the continuance of the post and the periods for which it is required.
1	2	3	4	5
1	Fourteenth Clerk for the Divisional Office, Bijapur.	Rs. 25-5/2-65	Government Letter No. 1804/36-III-E(II), dated the 17th February 1947.	The post of Temporary Clerk is required to be continued during the year 1948-49 for the disposal of the old pending land acquisition cases as no progress could be made during the current official year due to intervening scarcity works of 1946, Post War and Village Water Supply works and consequent increase in the current land acquisition cases so much so that the clerk could not be exclusively entrusted with clearing of arrears of the old cases. This accumulated work cannot be cleared off unless the services of the clerk are continued for a further period of one year. It is therefore, requested that Government may kindly be moved to continue the Temporary post of the clerk for a further period of one year i.e. to end of February 1949. The work is increasing day by day on all sides. It is likely that the post will be required permanently. But this question will be taken up separately.
